Misc. Notes on Bighorn Re-Intro.

Extirpated 1920's by hunters
One seen near Blizzard Mt. in 1949

Not California bighorn - In memo 1965
Roger said he preferred the true native
but in memo from Game & Fish dept 1967
they mention California sheep.

Memo of 4/3/69 by Jim Morgan says he
can trap Rocky Mt. sheep. Transplant into
Pahsimeroi in April 69 1st operation of that
type for Idaho.

Roger recommends Little Prairie
area - old bighorn bedding grounds.

Ken Jordan 5/29/70 wants to know when
plans are approved. [for news release]
